Cleared talent. On contract. On mission.

OVERVIEW

Black Fox places vetted, mission-ready professionals into your program in days — not quarters. Cleared engineers, program managers, analysts, and operators that arrive with context, not a learning curve.

CORE COMPETENCIES

- Cleared Technical Talent — Engineers, architects, and developers with active Secret, TS, and TS/SCI eligibility.
- Program & Acquisition Support — Embedded program managers, schedulers, cost estimators, and acquisition specialists.
- Subject-Matter Experts — On-call SMEs across cyber, intelligence, logistics, healthcare, and finance.
- Direct-Hire & Conversion — Try-and-hire and direct-placement options with a 90-day replacement guarantee.

DIFFERENTIATORS

- Senior, cleared people on contract — never a junior bait-and-switch.
- Written commitments at every milestone, with documented rollback paths.
- Self-perform on the critical path; vetted partners on the rest.
- Past-performance references furnished on qualified inquiries within 48 hours.
